<p>2. Black Ice Briefing Presentation</p> <ul style="list-style-type: none"> • Present Black Ice Briefing <p>2.1 Question & Answer Opportunity</p> <ul style="list-style-type: none"> ➤ City has plan to track black ice but with COVID and arena closures this has not been possible for 2020/2021 season. ➤ Potential to involve operational staff to aide in tracking of black ice (City). ➤ County has helped Clairmont Minor Hockey and Ringette, implemented a 30 day cancellation policy (used to be 15 days). ➤ Would like to see a firmer cancellation policy with a regional approach. ➤ County delegated ice times (allocations) and said they would take away ice when it is left wide open time and time again for the next year. Agrees penalties would make sense. ➤ GPRRC will reach out to Managers for engagement in future for policy creation. 	<p>Karna Krista ALL</p>
<p>3. Roundtable Discussions</p> <p>3.1 Updates from each ice manager with arena closures</p> <ul style="list-style-type: none"> ➤ County: Taking ice down to ¾ inch on both arenas ➤ Turning up the ice temp to about 20 degrees F, normally it is set at 17.5 degrees. ➤ Both will reduce plant run time and save on power costs during the shutdown. ➤ Once reopening is established ice operators will start building up the ice again to the norm of 1.5 inches. ➤ City, staff reassigned, City was completing family rentals, arena attendants working, many sports are awaiting new guildeines 	<p>All</p>
